Photo by Carrie Williams

Mission: To conserve natural ecosystems focusing on birds, other wildlife and their habitats for the benefit & enjoyment of current & future generations.

- **Mountain Biking** Bikes available for rent on island, rugged mountain biking or designated trails available
- **Camping** Safe, relaxing, camp along beaches (some permits may be required), day hike up a mountain or designated trails available
- **Kayaking** Guided tours only, kayak along coast or straight into open water, view wildlife (whales, sea otters, puffins, sea lions, jelly fish) up close and beautiful scenery
- **Wildlife Viewing** Year round wildlife viewing available on road system

Guides, air taxi's and wilderness lodges enable visitors to take advantage of areas of the island off the road system.
